Centenary Virtual Regatta

Riva del Garda, April 30 – May 2, 2020

We organized this regatta to keep in contact with the sailing world and according to the two meanings of “fraglia”. The first one comes from Venetian-Istrian dialect meaning guild, which could be relate to the marine and sport. The second one is that it is a contraction of the voices fratellanza (brotherhood) and famiglia (family) in medieval monastic latin.
