Any change to the sailing instructions will be posted not later than 60 minutes before the warning signal of the race it will take effect, except that any change to the schedule of races will be posted by 20:00 hrs. on the day before it will take effect.

## **6 SIGNALS MADE ASHORE**

- 6.1 Signals made ashore will be displayed at the flag pole located above the Club terrace. When a signal is displayed over an area flag or a class/fleet flag, it applies to that area or class/fleet only.
- 6.2 Flag D with one sound means: "the warning signal will be made not less than 40 minutes after flag is displayed or not before the scheduled time, whichever is later". Boats are requested not to leave the berthing places until the signal is made.

## 7 FORMAT OF RACING

7.1 The event is split into fleets and the regatta format will consist of a qualifying series and a final series.

Number of fleets	2
Colors in Qualifying series	White, Light Blue
Colors in Final series	Gold (White), Silver (Light Blue)

Unless otherwise signalled from the RC start vessel, fleets will start in the order stated above.

### 7.2 Qualifying-Series

- Boats will be assigned to fleets of, as nearly as possible, equal size and ability. Initial assignments will be made by a seeding committee appointed by the Race Committee. The first list will be posted within **June 8<sup>th</sup> at 10:30 am**.
- Boats will be reassigned to fleets after each day of racing. If all fleets have completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets.

Reassignment will be made as follows:

Rank	
First	White
Second	Light Blue
Third	Light Blue
Fourth	White
Fifth	White

and so on.

If two or more boats have the same rank, they will be entered in the left column in random order.

- Assignments will be based on the ranking available at 20:00 hrs. that day regardless of protests or requests for redress not yet decided.
- If all fleets have not completed the same number of races by the end of a day, the fleet(s) with fewer races will continue racing the following day until all fleets have completed the same number of races. All boats will thereafter race in the new fleets.

### 7.3 Final-Series

- Boats will be assigned to final-series fleets on the basis of their ranks in the qualifying series. There will be the same number of fleets in the final series as there were in the qualifying series. The final-series fleets will have, as nearly as possible, equal size but none larger than the Gold fleet. Boats with the best qualifying-series ranks will race all final-series races in the Gold fleet, boats with the next-best qualifying-series ranks will race in the Silver fleet, and so on.
- Any recalculation of qualifying-series ranking after boats have been assigned to final-series fleets will not affect the assignments except that a redress decision may promote a boat to a higher fleet. Only the boat(s) that are awarded redress may change fleet, and only before final series racing begins.
